

# Omni Metalcraft Corp.

## CUSTOMIZED TO YOUR APPLICATION

One of our goals at Omni Metalcraft Corp. is to insure our products are suitable for the opportunities presented. Our standard products satisfy the vast majority of common material handling needs, while our ability to offer fully customizable configurations will exceed your expectations. Omni supplies equipment for light duty, washdown duty and heavy duty applications. Our experienced support staff allows us to effectively understand your needs and deliver the right product to meet your specifications.
